

Conference: Sourcing Legal Timber 2.0 - LIVESTREAM

Thank you for your interest in attending NEPCon's conference: Sourcing Legal Timber 2.0 via livestream.

Accessing the livestream

The conference will be streamed via **YouTube**. Please use this link to access the livestream:

<https://www.youtube.com/watch?v=7GIfjsOwXCk>

We will be streaming the entire event (agenda attached), giving you the chance to see what's going on all day, breaks and everything! You can join and leave as you like.

Interacting with the event

You can ask questions of the speakers too! You can do this by typing in the chat box, which appears to the right of the screen. Please note that the chat box is different to the comments field which appears below videos in YouTube, it's only present for livestreaming events.

To do this you will need to be logged in. There are two options for this:

1. Using your own account, if you have one - you will need a gmail or YouTube account for this*
2. Using NEPCon's dedicated account - username: timber@nepcon.org, password: legaltimber

Here is a video providing guidance for how to log in: https://www.youtube.com/watch?v=-4Y9_4L599A&feature=youtu.be

*this is our preferred option because it will ease messaging traffic on the day

When asking a question please give the name of the speaker you are asking the question of and, if using the NEPCon timber account, your name and affiliation.

Please be aware that it is not possible to ask questions if you are streaming the event via YouTube app on your smartphone.

Please feel free to have a look at the [NEPCon Sourcing Hub](#) where you will find information about [The EUTR](#), [Due Diligence](#) and NEPCon's [Tools](#).
